	Effective Date	June 3, 1997

**1.0 POLICY & PURPOSE**

Laramie County Community College recognizes that a student’s ability to pay in full at the time of their registration may impede access. Therefore, in order to provide students with greater access, credit students will be allowed to establish an automatic payment plan to pay their tuition and fees, residence hall charges and limited bookstore charges by enrolling in LCCC’s contracted third-party vendor payment plan.
