**1.0 POLICY & PURPOSE**

In accordance with W.S. 21-18-202, the Wyoming Community College Commission (WCCC) has the authority and responsibility for setting the tuition rates for the Wyoming community colleges, including Laramie County Community College (LCCC). The WCCC procedures on setting tuition are further defined in WCCC Rule 3: General Functions, Section 4: Establishing Tuition Rates.

Although the Board of Trustees of LCCC do not have the authority to set tuition rates, the Board believes keeping a higher education affordable is a cornerstone of the community college mission. Therefore, it shall be the policy of the Board to consider pending changes to tuition at the College, and where appropriate take a position on those changes and direct the President to communicate the Board’s position to the WCCC and other pertinent individuals and groups.
