

Animals on Campus	Policy Number	5.6
	Effective Date	TEO thru 9/11/21

1.0 POLICY & PURPOSE

The Board of Trustees of Laramie County Community College (LCCC) understands the importance of animals in our personal lives. However, for the safety of the college community and the animals themselves, it is the Board’s policy that, except under very specific situations, animals are not allowed on LCCC owned and/or operated property (e.g., grounds, buildings, vehicles, etc.).

The Board does recognize that at times animals may be necessary for the mental or physical well-being of individuals seeking to work in or utilize programs and services provided by the College. Animals on campus may also be required for the delivery of the institution’s curriculum and services. Therefore, under strict guidelines and protocols, LCCC may allow animals to be on LCCC property if they are directly necessary for the fulfillment of an instructional purpose or college-sponsored service, or as authorized service or emotional support animals.

The purpose of this policy then is to set the expectations regarding animals on LCCC property and to direct the President to establish administrative procedures that provide the appropriate protocols and processes for ensuring compliance with this policy and approval of exceptions.

4.0 DEFINITIONS

- A. *LCCC Property* – Includes any property that is owned, leased, or otherwise managed by Laramie County Community College for the delivery of programming, services, or functions in alignment with the institution’s mission. This includes, but is not limited to, external grounds, buildings, vehicles, or other spaces owned/operated by LCCC.
- B. *Service Animals* – According to the Americans with Disabilities Act (ADA), a service animal is defined as “any animal individually trained to work or perform tasks for the benefit of an individual with a disability, including, but not limited to, guiding individuals with impaired vision, alerting individuals to an impending seizure or protecting individuals during one, and alerting individuals who are hearing impaired to intruders, or pulling a wheelchair and fetching dropped items.”

- C. *Support Animals* – Or Emotional Support Animals is an animal that provides a therapeutic benefit to its owner through companionship. The animal provides emotional support and comfort to individuals with psychiatric disabilities and other mental impairments. Unlike a service animal, a support animal is not granted access to places of public accommodation.
