

Americans with Disabilities Act (ADA) Student Grievance Procedure	Procedure Number	3.20P
	Effective Date	March 18, 1999

1.0 PURPOSE

This grievance procedure is established to meet the requirements of the Americans with Disabilities Act (ADA) of 1990 as amended and Section 504 of the Rehabilitation Act of 1973 as amended. This grievance procedure is designed to provide a process for students who believe their rights as a student with a disability have been violated in the provision of services, activities, programs, or benefits by LCCC.

Students with disabilities are required to request accommodations through the LCCC Disability Support Services (DSS) office and make every effort to resolve problems on an informal basis with that office prior to filing a formal grievance. If attempts to resolve issues at the informal level are not possible, a formal grievance should be filed in writing to the ADA Coordinator, the Vice President of Student Services. The College will make every effort to ensure that problems are fully explored while the privacy of the student involved is respected. Alternate formats of filing complaints will be made available for a person with a disability, upon request.

The right of a person to a prompt and equitable resolution shall not be impaired by the person's right to other remedies such as filing an ADA complaint with a federal department or agency. Use of this grievance procedure is not a prerequisite to other options.

If the complainant has been unable to resolve the complaint or problem using the Informal Grievance Procedure, the complainant may proceed with the steps below:
